The word "joga bonita" that is bannered on our crest, is more than a cute saying; it is a style of play that puts team above all else. At MFX, the individual development of our players is tantamount in making that reality. It is about doing the right things at the right time, and for the right reasons. On the field it is not about being in the right place if you do not know what to do when you are there. Nor is it about doing the right thing if you do not know why you are doing it. At every practice we teach individual skills while teaching the tactical reasons for using them. When we started this club a season ago, it was with the dream that this idea would catch on with our players.

We look forward to the upcoming season as we add new teams to our Club that will embrace our values. The additional teams will adapt our vision to develop teams with positive images and distinguish us from other clubs with our style of play.

We begin the Spring season with four to six teams. Additionally, we decided to move our 96G and 98G teams to the Division II (DII) level. For the remainder of the teams, we expect to compete competitively at every game as we anticipate moving all teams to DII in the Fall. We are anxious to develop our players in a more competitive environment.

Finalized schedules and practice dates will be sent out soon. As always, we thank you for your interest and commitment to quality soccer.

Director of Coaching MFX

My name is Darren Baucum and I am the manager of the U10 Girls soccer team. We are a newly formed team that is dual-rostered under AYSO Select and MFX. Most of our team has played AYSO soccer before working with Club, however, this is the first time we have played together as a team.

We currently have a roster of nine girls; Emily Baucum, Lauren Colvert, Brook Etzel, Amelia Gonzalez, Gabrielle Griner, Meg Richards, Savannah Pearce, Emma Richards, and Randi Swanson. Kelly Harness is our Head Coach and Rob Etzel is our Assistant Coach.

We are anxious to get on the field and explore and develop our talents. This team promises a great season and is looking forward to working with MFX.

## *98 Lady Xtreme*

The U11 Team is a group of energetic, fun, and competitive young ladies. This team originated as the 2008 AYSO U10 Spring Select team for Region 894. The "Lightning" traveled to Knoxville, TN where they were FINALISTS and Sportsmanship Winners in the AYSO Section 5 Games.

The girls continued together in Fall 2008 as the newly formed MFX 98. The team had an outstanding Fall season. The team compiled a 7-4 regular season record. They were FINALISTS in the Kicks Classic and FINALISTS in the Governor's Cup.

Team members are Caroline Barlow, Isabelle Chafin, Anna Fiorucci, Kristen Harmening, Britney McEwen, Claire Mitchell, Jessica Moore, Kenzie Moore, Lauren Neeley, Christina Stovall, and Morgan Wrzeszcz. The Coaches are Kelly Harness, Dan Mitchell, and Scott Harmening.

Currently, eight of our girls (Anna, Britney, Caroline, Claire, Isabelle, Jessica, Kenzie, and Morgan) are playing Indoor Soccer. They placed 3<sup>rd</sup> in the Great Patriot Shootout (Madison) and were FINALIST in the Cougar Classic (Hendersonville, TN).

We are getting excited about Spring season! This team will be moving up to Division II. We are expecting all players back from the Fall 2008 team. We are also looking forward to adding new faces to the team. We are planning to play in the Southeast Challenge Tournament, and the State Cup Tournament.

## *97 Lady Xtreme*

On July 1st, 2008 we collected votes for a new team name, and Madison Futbol Xtreme was born. A handful of players were from our previous club; Alexis Dobbs, Wendy Stevens, Sarah Lobes, Hannah Bowman and Mary Beth Gordon.

We started out as a bare minimum team, but over the next couple of months we were joined by: Ashley Kendig, Hannah Beck, Jenny Walker, Madison Foster and Callie Fausz. Additionally, April Oberman and Amanda Munoz from the U13 played whenever their schedules allowed.

Thanks to Coach Dowling and Coach Fausz for their help - Dowling for doing part of my job as manager, and Chris for stepping forward and being a coach.

Ten of our girls (Alexis, Olivia, April, Mary Beth, Sarah, Wendy, Kaitlyn, Haley, and Danielle) played indoor soccer this winter. They placed 1st in the Great Patriot Shootout in Madison and were Finalist in the Cougar Classic tournament in Hendersonville where they actually tied the first place team but lost to a tiebreaker.

I accepted the position as team manager and it has been a very enjoyable experience. I am the only guy in a house full of girls (except for Rebel, Hannah's dog), and being team manager gives me a valid excuse to get on the computer to do soccer related stuff (it is quiet in my computer room).

The U13 team started with difficulties as the majority of teams at this age level play D II (division II) soccer instead of D III soccer. The team was not formed in enough time to register as D II which made games very difficult to schedule.

Players from the previous club team are April Oberman and Haley Quick. The rest of the U13 players came to us from other teams and consisted of Sarah Mitchell, Hailey Pudelski, Katie Good, Brittany Gant, Raichele Langford, Haley Fiorucci, Amanda Munzo, Jessica Pieczynski, Chelsea Gambill, Rebecca Kendig, Erin Meagher and Kathleen Fritts.

Our coaches did an outstanding job; Scott Oberman was a coach from the previous club team. Coach Dan Mitchell is the trainer for all MFX teams as well as a coach for the U13 team.

Kelly Harness is the D.O.C. for MFX, and a Head Coach for the U13 team. I don't know how he finds the time to do all he does for these young ladies, but we sure do appreciate him.

Together these three coaches improved our team's skill set that enabled the U13 team to be a finalist at the Huntsville Summer Classic. Our girls were only one point behind the winning team.

This team will be moving up to D II and will be a strong team, eager to play beautiful soccer.
